

Register for the upcoming Advent Retreat at Camp Fowler

December 11-13, 2026

The season of Advent within the church calendar is when Christians traditionally set aside time to reflect and prepare spiritually for a fresh encounter with the Divine (at Christmas). Such time for reflection usually considers both the state of our personal lives and the pressing issues of our common life.

To that end, the Advent Retreat will include a series of discussions facilitated by Program Director, Abigail Jordan, on "safeguarding the human person in the time of artificial intelligence," as presented in Pope Leo's recent Encyclical Letter, *Magnifica Humanitas.* Attendees of all religious or spiritual backgrounds are invited as valued conversation partners.

Lightheartedness, creativity, and gratitude will also be central to the retreat as we enjoy the beauty of Fowler in the colder months, craft Advent Wreaths, pray together, and share delicious meals around the table.

We would love for you to join us.
