

The snowmobile season is fast approaching, and now is the time to reserve your ad space in the **2025 Speculator Region Snowmobile Trail Map**.

Our local trail map is a high-quality, 4-color publication with one full advertising side and a trail map with limited ad space on the other side. The map dimensions are 20" x 29" open and 4.25" x 6.5" folded. Maps will be distributed to snowmobilers through our office, numerous local businesses, and trail kiosks.

**This popular publication is a great way to advertise your business and support the Speculator Region.**

Advertising space on the map is sold on a first-come, first-served basis. A single ad space is 2" x 3½" (business card size), and a double space is 4" x 3½". You may submit your own print-ready ad, or we'll design one for you. We look forward to a great snowmobile season!

**\*Chamber Members for 2025 save %30 of your total ad cost.**

**Please complete the form below and return it with payment by Friday, October 25th, 2024.**
